**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION**

**IN RE: CAPACITORS ANTITRUST  
LITIGATION**

**Master File No. 3:14-cv-03264-JD**

**This Document Relates to:  
ALL INDIRECT PURCHASER ACTIONS**

**[PROPOSED] ORDER GRANTING  
PRELIMINARY APPROVAL OF CLASS  
ACTION SETTLEMENT WITH  
DEFENDANTS NEC TOKIN, NITSUKO,  
AND OKAYA**

1 On October 6, 2016, Indirect Purchaser Plaintiffs (“**IPPs**”) filed a Motion for Preliminary  
2 Approval of Class Action Settlement with Defendants (1) NEC TOKIN Corp./NEC TOKIN  
3 America Inc. (collectively “**NEC TOKIN**”), (2) Nitsuko Electronics Corporation (“**Nitsuko**”),  
4 and (3) Okaya Electric Industries Co, Ltd. (“**Okaya**”). The Court, having reviewed the motion,  
5 the settlement agreements, the pleadings and other papers on file in this action, and the statements  
6 of counsel and the parties, hereby finds that the motion should be GRANTED.  
7

8 NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

- 9 1. For purposes of this Order, except as otherwise set forth herein, the Court adopts and  
10 incorporates the definitions contained in the settlement agreements, to the extent not  
11 contradictory or mutually exclusive.
- 12 2. The Court hereby preliminarily approves the settlement agreements.
- 13 3. The Court finds that the settlements fall within the range of possible final approval  
14 and that there is a sufficient basis for notifying the settlement classes and for setting  
15 a Fairness Hearing.
- 16 4. Pursuant to Federal Rule of Civil Procedure 23, the Court certifies the following  
17 settlement classes for purposes of this Motion only:
- 18 a. All persons and entities in the United States who, during, the period  
19 from April 1, 2002 to July 15, 2016, purchased directly from a  
20 distributor one or more Capacitor(s) from a distributor that a  
21 Defendant manufactured. Excluded from the Class are Defendants,  
22 their parent companies, subsidiaries and affiliates, any co-  
23 conspirators, Defendants’ attorneys in this case, federal government  
24 entities and instrumentalities, states and their subdivisions, all judges  
25 assigned to this case, all jurors in this case.
- 26 b. All persons and entities in the United States who, during, the period  
27 from January 1, 2003 to March 29, 2016, purchased one or more  
28 Capacitor(s) from a distributor that a Defendant manufactured. Excluded from the Class are Defendants, their parent companies, subsidiaries and affiliates, any co-conspirators, Defendants’ attorneys in this case, federal government entities and instrumentalities, states and their subdivisions, all judges assigned to this case, all jurors in this

1 case, and all persons and entities who directly purchased capacitors  
2 from Defendants.

3 c. All persons and entities in the United States who, during, the period  
4 from January 1, 2002 to April 14, 2016, purchased one or more  
5 Capacitor(s) from a distributor (or from an entity other than a  
6 Defendant) that a Defendant or alleged co-conspirator manufactured.  
7 Excluded from the Class are Defendants, their parent companies,  
8 subsidiaries and affiliates, any co-conspirators, Defendants' attorneys  
in this case, federal government entities and instrumentalities, states  
and their subdivisions, all judges assigned to this case, all jurors in this  
case, and all persons and entities who directly purchased capacitors  
from Defendants.

- 9 5. The Court further finds that the prerequisites to certifying settlement classes under  
10 Rule 23 are satisfied for settlement purposes in that (a) there are at least thousands of  
11 geographically dispersed settlement class members, making joinder of all members  
12 impracticable; (b) there are questions of law and fact common to the settlement  
13 classes which predominate over individual issues; (c) the claims or defenses of the  
14 class representatives are typical of the claims or defenses of the settlement classes;  
15 (d) the Indirect Purchaser Plaintiffs will fairly and adequately protect the interests of  
16 the settlement classes, and have retained counsel experienced in antitrust class action  
17 litigation who have, and will continue to, adequately represent the settlement classes;  
18 and (e) resolution through class settlements is superior to individual settlements.  
19  
20 6. The Court hereby appoints the Plaintiffs named in the Indirect Purchaser Plaintiffs'  
21 Fourth Consolidated Complaint (March 18, 2016) (ECF No. 1168) ("FCC") as  
22 Representative Plaintiffs of the settlement classes.  
23  
24 7. The Court hereby appoints the law firm Cotchett, Pitre & McCarthy, LLP as  
25 Settlement Class Counsel.
